About CARNIVAL ACADEMY

It is known to everybody that the total scenario of women literacy in our country is not at all hopeful. If we want the social economic improvement in our country, literacy condition of the women has to be improved a lot. CARNIVAL..... A play school has taken a serious note of this situation. Moreover as the safeguard to pre-primary education, there is no such organization prevailing on our country that can provide quality teacher to take care of the kid's education. To improve this dismal scenario in our country "CARNIVAL ACADEMY" has come into existence.

An education organization could be an effective one, when it will have proper infrastructure, study materials and efficient teachers. As on date unfortunately in the Nursery Teacher Training segment, there is no such establishment which can fulfill the above mentioned criteria. But we do promise that "CARNIVAL ACADEMY" has it all.

CARNIVAL ACADEMY is committed to the nation to produce quality teacher and professionals who will really become example and ideal for the pre primary education and these teacher will prepare our citizens in true sense.

Promoter company "Carnival Academy" is AJANYA EDUCATIONAL FOUNDATION, DELHI."

Since last seventeen years, AJANYA EDUCATIONAL FOUNDATION, DELHI has promoted lot of value added education COURSES all these segments are the glittering stars and ideal, exegates of job oriented courses in the sky of Indian education.

Aim & Objective of the course

As per the latest survey, the literacy rate among the women is more than 85% until and unless become educated and self reliant, our country's progress is not at all possible.

CARNIVAL.... A play school did not want to become the must spectator. In order to overcome with this situation. CARNIVAL ACADEMY has come into existence.

There is a huge gap between the necessity and the availability of trained Nursery Teacher in our country, CARNIVAL ACADEMY has taken the onus to launch such an academy which is 100% full proof in terms of infrastructure, study and trained professionals who are committed to impart quality education.

Training Methodology

A successful training depends on the effective training Methodology authorized centre has got unique training Methodology has been divided into the six different Layers.

Teaching Methodology

LAYER-1

Classroom Learning

Classroom learning is combination of conceptual and theoretical knowledge, it includes case study replays and lectures.

LAYER-2

Group learning

Behind every success, a team effort is required. Group learning is unique & tested method of learning where all the students learn all together, it gives them a team spirit and they gain for each other experience.

LAYER-3

On the job training

Internship is an integral part of our methodology. In this training students is going to interact with various organizations for "on the job training" especially with our existing pre-schools.

LAYER- 4

Administrative experience

To interact with various organization for their project work and for their "on the job training" the students are expected to take up various organizational responsibilities within in institute

LAYER- 5

In order to provide a sense of involvement in the community. A variety of programmes are offered throughout the academic year to suite the individual needs and interests of the students. This will enhance their skill & personality in totality.

LAYER- 6

Competitions

In order to develop the sense of competition, a variety of competitors are organized throughout the academic year and participants are suitably rewarded. A local placement cell is also maintained to provide the placement assistance to our pass-out students.
